

PRESS RELEASE

SALINI IMPREGILO REVELATION OF CORPORATE COMMUNICATION

CLIMBS LUNDQUIST'S CSR ONLINE AWARDS RANKING TO WIN "BEST IMPROVER" TITLE

Milan, June 19, 2017 - Salini Impregilo is the revelation of the 7th edition of the CSR Online Awards. The Group, since the previous edition climbed 51 positions, from the 57th to the 6th position, in the ranking that analyses how Italian companies communicate their sustainability and digitally involve their stakeholders.

This giant leap allowed Salini Impregilo to conquer the 2016-2017 "Best Improver" title assigned by Lundquist. "The construction company didn't pass the "core" assessment, while it has now managed to place itself among the Top 10. This is due to its contents, which are essential but effective, and to the great impact provided by the storytelling used within *We Build Value*, its digital magazine." (<https://www.webuildvalue.com/en/index.html>). This is how Lundquist commented the performance.

The research, carried out by the strategic consultancy firm specializing in online communication, assessed 254 companies in Europe and the 100 most important Italian companies (80 listed companies and 20 important non-listed companies).

Salini Impregilo, a global player of large infrastructure, which is active in 50 countries worldwide with more than 35,000 employees, narrates how it works and its role within the global economy, and does so using an innovative style. It employs multi-channel 360° sustainable communication, reportages, exclusive interviews, stories, images, videos and infographics, with a visual identity that has a great impact. A continuous systematic approach that puts together content materiality, sustainability integration and visual communication.

Salini Impregilo is a leading global player in the construction of major complex infrastructures. It specializes in the water sector, where it is recognized by the Engineering News-Record (ENR) as the global leader for the 4th consecutive year, as well as railways and metro systems, bridges, roads and motorways, large civil and industrial buildings, and airports. The Group has 110 years of applied engineering experience on five continents, with design, engineering and construction operations in 50 countries and more than 35,000 employees from 100 nationalities. Salini Impregilo is a signatory of the United Nations Global Compact and pursues sustainable development objectives to create value for its stakeholders. It assists clients in strategic areas including energy and mobility, helping to drive development and well-being for current and future generations. Its leadership is reflected by projects such as the new Panama Canal, the Grand Ethiopian Renaissance Dam in Ethiopia, the Cityringen metro in Copenhagen, the metro system in Riyadh, the Stavros Niarchos cultural centre in Athens, the new Gerald Desmond Bridge in California. In 2016, revenues totalled €6.1 billion (including U.S. subsidiary Lane Construction, leader in roads and highways), with a total backlog of €36.9 billion. Salini Impregilo Group is headquartered in Italy and is listed on the Milan Stock Exchange (Borsa Italiana: SAL; Reuters: SAL:MI; Bloomberg: SAL:IM).
