

## **PRESS RELEASE**

## INCREASED VOTE PUBLICATION OF THE REGULATION AND THE REGISTRATION FORM IN THE SPECIAL LIST

Milan, April 14, 2022 – Following previous communications on April 5, 2022, it is to be noted that those entitled can submit the request for registration in the special list for entitlement to the benefit of the increased vote by Webuild S.p.A. ("Special List"), pursuant to art. 127-quinquies, of Italian legislative decree 24 February 1998, no. 58, and as amended ("TUF"), and to art. 143-quater of the Issuers' Regulation, adopted by CONSOB with resolution no. 11971 of May 14, 1999.

Please note that any entitled person who intends to request registration in the Special List must contact the intermediary with whom he maintains the securities account in which the shares are registered to ask the latter to send, as provided for by the Single Provision on Post-trading, a specific request for registration in the Special List, to the Company, specifying the number of shares for which the request is made.

The Increased Vote Regulation, which governs the procedures for registering, keeping and updating the Special List, together with the form for requesting registration in the Special List, is available on the website www.webuildgroup.com, in the section "Investors/Shareholders and Share Capital/Increased Vote".

Webuild, the new Group born in 2020 from Salini Impregilo, is a leading global player in the construction of large, complex projects for sustainable mobility (rail, metro, bridges, roads, ports), hydropower (dams, power plants), water (treatment and desalination plants, wastewater management, irrigation dams) and green buildings (civil and industrial buildings, airports, stadiums, hospitals). It supports clients in achieving the Sustainable Development Goals (SDGs) established by the United Nations. The Group is the expression of 116 years of engineering experience applied in 50 countries with 80,000 direct and indirect employees from more than 100 nationalities. Iconic projects, completed or under construction, include the M4 metro line in Milan, a section of Line 16 of the Grand Paris Express, Cityringen in Copenhagen, the viaduct and bridge for Sydney Metro Northwest in Australia, Red Line North Underground in Doha, Line 3 of Riyadh Metro and high-speed railways in Italy. Others include the Genova San Giorgio Bridge in Italy, the Long Beach International Gateway Bridge in Long Beach, California, the expansion of the Panama Canal, the Snowy 2.0 hydroelectric scheme in Australia, the Rogun hydroelectric dam in Tajikistan, the Anacostia River and Northeast Boundary tunnels in Washington, D.C., and the Al Bayt 2022 World Cup stadium in Qatar. At the end of December 2021, it had a total order backlog amounting to €45.4 billion, with 92% of the construction backlog relating to projects linked to SDGs. Webuild, subject to direction and coordination by Salini Costruttori S.p.A., is headquartered in Italy and is listed on the Milan stock exchange (Borsa Italiana: WBD; Reuters: WBD.MI; Bloomberg: WBD:IM).
