- the treasury share buy-back programme commenced on 27 January 2022 pursuant to the shareholders' resolution of 30 April 2021 **ended** on 28 April 2022. Purpose of the programme

Repurchase of treasury shares to the extent allowed and in compliance with the measures established by the applicable laws and regulations as well as the market practices permitted by Consob or other competent authorities in order to:

- a) operate on the market, in compliance with applicable laws and regulations currently in force and through intermediaries, to support the liquidity of the share and to stabilise the trend of trading and prices, in the presence of any price fluctuations that reflect abnormal trends, including those linked to excessive volatility or poor trading liquidity and/or to ordinary share placements on the market by shareholders that have the effect of affecting its price and/or more generally to contingent market situations. In such case, the company shall make any additional information required by the applicable law and market practice available to the market;
- b) perform medium and long term investments, or in any case for the purpose of taking up market opportunities through the repurchase and resale of the shares whenever appropriate;

The repurchase transactions shall not be instrumental in reducing the share capital by cancelling the repurchased treasury shares.

Maximum number of treasury shares and duration of the programme

The share buy-back programme, which may be implemented within 18 months from the date of the shareholders' resolution and, therefore, no later than 28 October 2023, may involve up to a maximum

Minimum and maximum consideration and total value

The buy-back of treasury shares cannot differ, in any event, either downwards or upwards, by more than 20% with respect to the reference price recorded by the ordinary share during the stock exchange session preceding each individual transaction.

Methods by which the buy-back can be carried out

Share buy-back transactions shall be carried out in accordance with the principle of equal treatment of shareholders in accordance with the operating methods established by the applicable laws and regulations and the market practices permitted by Consob or other competent authorities from time to time

In order to carry out its treasury share buy-back transactions, the company shall avail of financial intermediaries that shall operate entirely independently and without being influenced by the company as to the timing of the purchases, without prejudice to the further communications that the company shall make in this regard in accordance with the provisions of the applicable legal and regulatory framework, including accepted market practices, as applicable.

The programme does not oblige the company to buy back its treasury shares or to do so to the maximum extent authorised by the shareholders. The programme may be implemented in part and/or suspended, interrupted and revoked at any time, subject to due notice.
