

PRESS NOTE

WEBUILD DONATES 14 THOUSAND FOOD PACKAGES FOR THIS FESTIVE SEASON TO THE NEEDY IN COLLABORATION WITH THE COMMUNITY OF SANT'EGIDIO

THE GROUP CONFIRMS ITS SOCIAL COMMITMENT IN THE TERRITORIES WHERE IT WORKS FOR A MORE SUSTAINABLE SOCIETY

Rome, December 20, 2022 - Webuild's commitment to improving people's lives is something tangible done every day, as it builds its functional and beautiful large infrastructure, with the communities, to better meet their needs.

For this festive season, Webuild decided to go an extra step in its social commitment towards the territories where it works. In fact, what is usually used for gifts for this festive season and for the end-of-year meeting between employees and our management, will be destined, this year, to providing approximately 14 thousand food packets for the needy or for those going through financial difficulties, with the collaboration of the Community of Sant'Egidio, now a consolidated tradition for the Group.

Webuild, the new group born in 2020 from Salini Impregilo, is a leading global player in the construction of large, complex projects for sustainable mobility (rail, metro, bridges, roads, ports), clean hydro energy (hydropower dams), clean water (treatment and desalination plants, wastewater management, irrigation), green buildings (civil and industrial buildings, airports, stadiums, hospitals), supporting clients in achieving sustainable development goals (SDGs). The Group ranks first in the world for the construction of infrastructure in the water sector. Since 2018, it is also among the top 10 companies by revenue generated from environmental services. The Group is the expression of 116 years of engineering experience applied in 50 countries with 80,000 direct and indirect employees from more than 100 nationalities. The Group's expertise is displayed in projects such as the M4 metro line in Milan, Grand Paris Express, Cityringen in Copenhagen, Sydney Metro Northwest, Red Line North Underground in Doha, Line 3 of the Riyadh Metro and the high-speed railways in Italy. Other projects include the new Genoa Bridge and the new Gerald Desmond Bridge in Long Beach, California, the expansion of the Panama Canal, the Snowy 2.0 hydroelectric power station in Australia, the Rogun hydroelectric dam in Tajikistan, the Anacostia River and Northeast Boundary tunnels in Washington, D.C. and the Al Bayt 2022 World Cup stadium in Qatar. At June 30, 2022, the Group had a total order backlog amounting to more than €47 billion, with 90% of the construction backlog relating to projects linked to SDGs. Webuild, subject to direction and coordination by Salini Costruttori S.p.A., is headquartered in Italy and is listed on the Milan stock exchange (Borsa Italiana: WBD; Reuters: WBD.MI; Bloomberg: WBD:IM).
