

PRESS RELEASE

IMPREGILO SELLS FACILITY MANAGEMENT INTERESTS

Impregilo said that its subsidiary “Impregilo Edilizia e Servizi” today closed the sale of its equity investment in “SI.MA.GEST3”, a consortium that provides facility management services for government-owned buildings under the terms of a special convention signed with CONSIP in 2002. The 60% interest in the “Gricignano 3” company, which provides facility management services for the US Navy Hospital in Gricignano (Caserta), has also been sold.

In both cases, the holdings were sold to the current project partners.

The two transactions generated a capital gain of approximately 500,000 euro. Although the amount is not particularly significant from a financial viewpoint, it constitutes a further step in the on-going re-organisation and simplification of the Group portfolio.
