Milan, October 14, 2019 – Pursuant to article 122 of the Italian TUF (*Testo Unico Finanza* - "Unified Finacial Law") and of article 129, paragraph 2, of the Issuers' Regulation, please note that the abstract of the agreement signed on October 9, 2019, which includes some Shareholders' Agreements regarding *Salini Costruttori S.p.A.*, the company controlling Salini Impregilo, exercising management and coordinating activities upon it, ex articles 2497 and subsequent ones of the Italian Civil Code (the "Shareholders' Agreements"), has been made available to the public on www.salini-impregilo.com, in the "Governance" section, in the "Other Governance Documents" subsection and on the authorized storage system "1INFO" on www.1info.it.

The abstract has also been published today on the "IlSole24Ore" newspaper.

Salini Impregilo *is one of the major global players in the construction of large, complex civil infrastructure. For five years it has been ranked No. 1 in the water infrastructure sector by Engineering News-Record (ENR) and as of 2018 has achieved ranking in the Top Ten of the Top Environmental Firms. It is also a leader in the transport infrastructure sector, being involved in major sustainable mobility projects in rail and metro systems around the world. It has successfully built some of the world's most iconic projects: bridges, roads and motorways, civil and industrial buildings, and airports. The Group has 113 years of engineering experience on five continents, with design, engineering and construction operations in nearly 50 countries and more than 35,000 employees from over 100 nationalities. It is a signatory of the United Nations Global Compact as it pursues the sustainable development goals of its clients, from clean water and energy to sustainable mobility to buildings with a low environmental impact. Its expertise is displayed in projects such as the Grand Paris Express metro system, Cityringen in Copenhagen, Sydney Metro Northwest, Red Line North Underground in Doha and Line 3 of the Riyadh Metro. Other projects include the expansion of the Panama Canal, the Rogun hydroelectric dam in Tajikistan, the Anacostia River and Northeast Boundary tunnels in Washington, D.C. and the Al Bayt 2022 World Cup stadium in Qatar. In 2018, new orders totalled €6.0 billion, with a total backlog reaching €33.4 billion. Salini Impregilo Group is headquartered in Italy and is listed on the Milan Stock Exchange (Borsa Italiana: SAL; Reuters: SALI.MI; Bloomberg: SAL:IM).*
