

STATEMENT

Statement no.:
C767137

Initial Issue date:
23 November 2025

Valid:
23 November 2025 – 22 November 2026

This is to confirm that the risk management framework of

Webuild S.p.A.

Centro Direzionale Milanofiori snc- Strada 6 - Palazzo L - 20089 Rozzano (MI) - Italy

has been found to follow the guidance provided by:

ISO 31000:2018 Risk Management

This statement is valid for the following scope:

Construction on its own behalf and on behalf of third parties of roads, ports, buildings, hydraulic, hydroelectric and railway works and in general any constructions in the civil engineering field in Italy and abroad.

Assessment methodology:

The results of this assessment have been determined on the basis of information and documents that were made available to DNV during the assessment period (October 2025).

The following methods were applied during the verification:

Interviews with Webuild representatives to understand the processes, tools and organizational framework in place for Risk Management.

Collection and review of relevant documentation to confirm/deepen Risk Management Framework.

Place and date:
Vimercate (MB), 23 November 2025

For the Certification Body:
DNV - Business Assurance
Via Energy Park, 14
20871 Vimercate (MB) - Italy
