

## PRESS RELEASE

### SUCCESSFULLY PRICED €500 MILLION IN NEW NOTES WITH 6-YEAR MATURITY

#### DEMAND EXCEEDING 5 TIMES THE OFFER FROM LEADING INTERNATIONAL AND DOMESTIC INSTITUTIONAL INVESTORS, CONFIRMING THE STRENGTH OF THE GROUP'S RESULTS AND OUTLOOK

Milan, 28 April 2026 – Webuild S.p.A. (“**Webuild**” or the “**Company**”) hereby announces the conditions of the new unsecured fixed-rate senior notes (the “**New Notes**”), whose net proceeds will be used for: (i) the repayment of the existing indebtedness of the Company and the purchase by the Company of up to a certain amount of the notes denominated “€250,000,000 3.625 per cent. Notes due 28 January 2027” (ISIN: XS2102392276), with outstanding principal amount equal to €250 million (the “**2027 Notes**”), pursuant to the tender offer launched by the Company on 27 April 2026 (the “**Tender Offer**”) and (ii) general corporate purposes of the Webuild Group.

The aggregate nominal amount of the New Notes is equal to €500 million, with a subscription price equal to 100% of their nominal amount. The New Notes maturity date is May 08<sup>th</sup>, 2032, and the New Notes annual coupon is 4.5%.

The New Notes issuance confirms Webuild’s ability to access capital markets on favorable terms, even amid a macroeconomic environment characterized by geopolitical tensions and high uncertainty. The issuance was met with strong interest from the domestic and international financial community, attracting orders from more than 250 investors and demand exceeding 5 times the offer. This allowed the Company to significantly reduce the final coupon rate compared with the originally proposed one. Particularly noteworthy was the contribution from international investors, accounting for over 75% of total demand, mainly from United Kingdom, France and Germany.

The transaction follows the completion of the 2023–2025 Business Plan, “Roadmap to 2025 – The Future is Now,” which delivered record results well above targets, and the double rating upgrade by Fitch and S&P to BB+ with a stable outlook, just one notch below investment grade, reflecting the Group's solid financial structure and the strengthening of its credit profile.

The New Notes issuance allows Webuild to accelerate the process of optimising the Webuild group's debt maturity profile by lengthening its average life and reducing financial needs until 2027.

The New Notes are offered to qualified investors only, excluding any placement in the United States of America and other selected countries and will be listed on the Global Exchange Market of Euronext Dublin.

The settlement of the New Notes is expected to occur on May 08<sup>th</sup>, 2026 and the purchase of the 2027 Notes accepted in the Tender Offer by the Company is expected to occur on the same date.
